Re: United States v. Bernard B. Kerik, 07-CR-1027 (SCR)

Dear Judge Robinson:

We are counsel to Bernard B. Kerik, the defendant in the above-captioned matter. We respectfully request an adjournment of the status conference currently scheduled for tomorrow to February 6 at 10:00 a.m. We have reviewed documents produced to the government and visited the government's offices to begin to review the voluminous materials there. In light of the need to engage an imaging vendor so that the materials can be reviewed more efficiently, as well as the pendency of the government's disqualification motion, we have not completed that process. We make this application on consent of the government. In addition, Mr. Kerik consents to the exclusion of time through February 6 under the Speedy Trial Act.

Respectfully Submitted,

*Kenneth Breen*
